*Прочитай текст про Олімпійські ігри. Що нового ти дізнався/дізналась?*

For a long time, from 349 till 1896, there were no Olympic Games. Since 1896 the best *athletes* of the world have met again every four years, as it was in Greece many, many years ago.

The capitals of many countries have been Olympic cities — Athens, Paris, London, Berlin, Helsinki, Rome, Tokyo, Mexico, Moscow and others.

There are Summer and Winter Olympic Games now. The best sportsmen *compete* in more than 30 different kinds of sport in modern Olympic Games. The Games have a lot of *symbols*. The five Olympic rings are the symbol of the *unity* of five continents. They are of five colours — red, yellow, blue, green and black — on a white field of the Olympic Flag.

In 2008 Peking became the city which *hosted* the Olympic Games again. The Olympic Games in China turned into a bright, beautiful and exciting festival of sports. Hundreds of sports grounds, stadiums, swimming pools were ready to meet the best athletes of the world.
