This is my classroom. It is situated in the second floor of my school. It's not very big and high. There is a window and a door in it. The walls are light blue. They are decorated with posters and pictures. There are some desks with chairs, a teacher's table, a bookcase and a computer. There is a whiteboard and a clock on the wall. We have our English lessons here. There's nothing special in the classroom. It can hold only eight students. I feel safe and comfortable in this classroom.
