countries all over the world compete in different sports. The games take place every four years in a different country. All athletes are proud to represent their country. The motto of the Olympic Games is: FASTER, HIGHER, STRONGER.

This is one of the symbols of the games. It has a white background with five interlocking rings: blue, yellow, black, green and red. Why these six colours? Because they appear on all the national flags of the world. The five rings represent the five inhabited continents of the world: America, Europe, Asia, Africa and Oceania.

5. Grammar

Повторіть вживання дієслів «play / go / do»

PLAY

We use **PLAY** with sports that use a ball. (or object)

"I **PLAY** soccer every Friday afternoon."

"Rick **PLAYED** baseball in high school."

"Do you want to **PLAY** hockey with my team on Saturday?"

GO

We use **Go** with activities that end with 'ING.'

"I love to **GO** surfing."

"We **WENT** bowling last weekend!"

"Scott **GOES** swimming everyday because he has a pool."

DO

We use **DO** with activities that don't have a ball or use 'ING.'

"I **DO** gymnastics twice a week."

"Brenda **DOES** figure skating on Sundays."

"Kevin **DID** karate when he was 20."

I get confused using **PLAY, GO** and **DO**.

What do you like to do?
What do you want to play?
Do you go fishing?
