BOHDAN'S BLOG

I am from Ukraine. Lots of children around the world don't know much about my country. Let me introduce Ukraine to you.

BOHDAN, 11, Ukraine

Ukraine is in the centre of Europe. It is a large country. Its territory is 603,7 thousand square¹ kilometres.

Ukraine has got a long history. Its territory was part of Kyivan Rus – a powerful² state hundreds of years ago. Today Ukraine is an independent country. 24 August is Independence Day in Ukraine. Kyiv is the capital of our country. It is very ancient and beautiful.

The Ukrainians live in small towns and big cities. A lot of them live in villages. Ukrainian people are talented, hard-working and friendly. They have their own language, culture, customs and traditions.

The two colours of our national flag – yellow and blue – symbolise Ukraine's golden³ fields of grain⁴ under blue skies.
