When bitten by a spider he turns into the Spider-Man, a superhero with special powers. He fights against the evil Green Goblin and tries to win the love of Mary, his beautiful classmate.

The film is very enjoyable.

There are spectacular special effects and excellent stunts.

MARCH OF THE PENGUINS

March of the Penguins is a French documentary about emperor penguins. The film shows their long journey in Antarctica. The female lays an egg and both parents struggle for the survival of their chick.

The film is a brilliant documentary about the fascinating world of nature.

It is very moving. It can even make you cry.

WALL-E

WALL-E is a computer animated film which takes place in 2700. It's the story of a little robot who is programmed to clean up the planet Earth. WALL-E is very curious and a bit lonely. However, his life changes when he meets EVE. She can fly very fast and she is very nice, so an adventure and romance across the galaxy start.

The film has a fascinating computer animation. Some scenes are really funny.

HIGH SCHOOL MUSICAL

As its name says, it's a musical which tells the story of two high-school juniors Troy Bolton and Gabriella Montez who want to get the lead parts in their school show. Troy is the captain of the basketball team and Gabriella is a shy girl and she is brilliant at Maths and Science. However, there are some problems ahead.

The plot is a bit weak, but the actors are good looking. The music is catchy.
